Fairford Breakfast Hampers - Thank you!

A huge thank you to everyone who participated in the Breakfast Hamper drive.

Together, with the help of many brothers and sisters in Christ, we were able to collect, assemble, and deliver 81 hampers! This far exceeded the expectation of 20 – 30 hampers. Because of the overwhelming support, we delivered 58 hampers to families in Fairford and 23 hampers to local families in need.

The people who received these hampers were blown away by the display of care and love. All praise and Glory to God!

Thank you for your contribution!

Right Now Media - We are excited to share that our church now has unlimited access to RightNow Media—the world’s largest streaming library of video Bible study resources (it’s been called the “Netflix of video Bible studies”). This extensive library has more than 20,000 videos. There’s even a library just for kids with over 2,000 safe, entertaining videos. Contact Stephen Peters if you want to sign up.

Together with the program committee, we have decided to return to a more regular scheduling of our Sunday morning services. This means we will be once again scheduling a special number, children's item and prelude. If you were previously on our volunteer list, you will once again be scheduled to serve. Typically, our prelude was done by the pianist scheduled for that Sunday, but because offertory is not happening, in an effort to involve more people, we will be scheduling those volunteers on the offertory list for prelude. We ask that anyone scheduled to play prelude, begin playing 5 to 10 minutes prior to the scheduled service time. Should services once again resume and move to dual services, we ask that the individual(s) playing for prelude, do so for both services. Should you have any questions or concerns, please feel free to contact me.

Thank you for your willingness to serve.
